

# Sani-Com®

## Multi-Purpose Cleaning Towelette

Sani-Com was introduced over 35 years ago as a way to clean telecommunications and respiratory equipment. Since then it has been tested and approved for use as a hand sanitizer.

Sani-Com is a single use cleaning towelette that has a variety of uses. It can be used to clean telecommunications and respiratory equipment or as a hand sanitizer. For general cleaning, it can also be used on cell phones and computers. As a hand sanitizer, it will kill 99.999% of bacteria.

### FEATURES AND BENEFITS
